

Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 07 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Scattered showers, these heavy and possibly thundery.

This Evening and Tonight:

Scattered showers will continue, and will be slow moving while remaining heavy at times, with a chance of hail and thunder to start the evening. Some clear intervals will develop through the night, especially across eastern areas. Minimum temperature 10 deg C (50 deg F).

Sunday:

Becoming breezy with scattered showers, these sometimes heavy with a chance of hail and thunder, and probably most frequent across the Pennines. Some sunny spells, with temperatures close to normal. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:

Monday sunny spells and scattered heavy, perhaps thundery, showers. Tuesday scattered showers, but these lighter. Wednesday chance of rain arriving, most likely across the Pennines, becoming locally rather warm.
